<b>SCRIPT:</b>	<p>00:00-00:12 I'm Serhii Marchenko. I work as a train mechanic in Lozova locomotive depot.</p> <p>00:17-00:27 My working day starts with the call on my mobile phone. It means I must be in depot in an hour or in an hour and a half for taking the locomotive.</p> <p>00:30-00:42 Love to the railway transport has appeared since my childhood. I was attracted by its power. Besides, my great-grandpa and grandfather worked with locomotives too.</p> <p>00:45-00:59 This profession demands quick and accurate decision making. You should not be stressful and understand that you are responsible for the cargo or passengers you transfer.</p> <p>01:05- 01:21 Now the situation has changed as a result of hostilities. We have been to wartime in</p>

	<p>Luhansk and Donetsk. It was necessary to take people away. Everything was taking place along with the sounds of sirens, pursuit planes, volleys.</p> <p>01:24-01:41</p> <p>First of all, I would like the situation in our country to be better, European salaries to be introduced we are striving to have. It's necessary to go for the best and achieve, achieve. At least for yourself in order to say – I've done it!</p>
