	<p>1.11- 1.13 The main part of the money has been spent for strawberry seedlings. 1.14- 1.17 We've already bought twenty thousand seedlings and ordered other twenty thousand. 1.20- 1.28 We're going to build a plantation on the California system, something like a strawberry kingdom, a fairy-tale for kids and grown-ups. 1.29-1.30 Just come inside and get excited! 1.31-1.32 We plan to enlarge our production. 1.33- 1.36 We also wish to develop our own canning process of strawberries. 1.37- 1.39 Surely a lot of work must be done to make our dream come true. 1.41-1.44 Now we have staff and sell berries, everything is to purpose.</p>
