HEADLINE:	Eduard Munteanu is a hitchhiker. He likes to discover new places and new people around the world. The last 5 years he visited almost the whole Europe.		
DATELINE:	Chişinau, Moldova – 10/10/2018		
SCRIPT:	Interview –Eduard Munteanu 00:00:03,215 --> 00:00:04 Hello. I'm Eduard Munteanu. 00:00:04 --> 00:00:06 I am 26 years old. I'm an engineer. 00:00:06 --> 00:00:13 My greatest passion is to travel and find new places and interesting people. 00:00:13 --> 00:00:20 My first experience in Romania was 5 years ago, 00:00:20 --> 00:00:27 that evolved into a bigger tour we made 2 years ago in Europe.		

00:00:27 --> 00:00:33

I'm on my way to Poland, now I'm out of Warsaw and I'm going to Vilnius in Lithuania.

00:00:33 --> 00:00:38

I went from Moldova to Ukraine, Poland, Lithuania,

00:00:40 --> 00:00:42

then back through Poland to the Czech Republic, Germany, Austria, Italy

00:00:42 --> 00:00:45

and from there, already home... very fast.

00:00:50 --> 00:00:57

People in Europe are more open to new experiences, generally new things.

00:00:57 --> 00:01:03

At the same time, they are, in a nutshell, quite attentive in some countries.

00:01:03 --> 00:01:04

Hi, I'm in Czech Republic.

00:01:05 --> 00:01:09

He is Tomas. He speaks Czech.

Tomas says in Romanian:

00:01:10 --> 00:01:12

Hi, Moldova!

Eduard Munteanu says:

00:01:12 --> 00:01:14

We're enjoying life, for now.

00:01:14 --> 00:01:21

As the country's situation was weaker and the world was more opened, like in Ukraine,

00:01:21 --> 00:01:24

where it is very easy to make hitch-hike.

	<p>00:01:24 --> 00:01:26 I think an hour passed since the last video.</p> <p>00:01:26 --> 00:01:28 Time has changed radically.</p> <p>00:01:28 --> 00:01:33 I arrived in Lvov, so everything is ahead.</p> <p>00:01:33 --> 00:01:41 The values of our generation, the youth of today are freedom, free speech.</p> <p>Eduard sing: 00:01:41 --> 00:01:47 - But do not ever take my love...</p> <p>Interview Eduard Munteanu 00:01:47 --> 00:01:53 I can say that initially it was hard for me to adapt home and I always wanted to go.</p> <p>00:01:53 --> 00:01:59 At the moment I do not necessarily see that I would like to leave today or tomorrow,</p> <p>00:01:59 --> 00:02:08 but in the future I would really like to live abroad for a period of my life.</p> <p>00:02:08 --> 00:02:10 But of course I would like to retire somewhere in Italy.</p>
SHOTLIST:	Eduard is filmed in action on the road where he tries to stop a car. Also there are inserts of some videos from his previous trips.
SCRIPT: (Original language)	Interviu Eduard Munteanu 00:00:03 --> 00:00:04 Salut! Sunt Eduard Munteanu.

00:00:04 --> 00:00:06

Am 26 de ani. Sunt inginer.

00:00:06 --> 00:00:13

Cea mai mare pasiune a mea sunt călătoriile și să găsec locuri noi și oameni interesanți.

00:00:13 --> 00:00:20

Prima mea experiență de un tur în România a fost vre-o 5 ani în urmă,

00:00:20 --> 00:00:27

după care a evoluat într-un tur mai mare pe care l-am făcut acum 2 ani în Europa.

00:00:27 --> 00:00:33

Iaca eu is pe drum, în Polonia, am ieșit acum din Varșovia și mă duc în Vilnius, în Lituania.

00:00:33 --> 00:00:38

Am mers din Moldova, până-n Ucraina, Polonia, Lituania,

00:00:40 --> 00:00:42

apoi înapoi prin Polonia în Cehia, Germania, Austria, Italia

00:00:42 --> 00:00:45

și de acolo, deja acasă... la fuga.

00:00:50 --> 00:00:57

Oamenii în Europa sunt mult mai deschiși pentru experiențe noi, în general către lucruri noi.

00:00:57 --> 00:01:03

În acelaș timp sunt, oarecum, destul de atenți în unele țări.

00:01:03 --> 00:01:04

Buna, am intrat în Cehia.

00:01:05 --> 00:01:09

El e Tomas. Vorbește ceha.

Tomas spune în română:

00:01:10 --> 00:01:12

Noroc, Moldova!

Vorbește Eduard:

00:01:12 --> 00:01:14

Ne bucurăm de viață, deocamdată.

00:01:14 --> 00:01:21

Cu cât situația țării a fost mai slabă cu atât și lumea a fost mai deschisă, ca de exemplu în Ucraina

00:01:21 --> 00:01:24

unde e foarte ușor să faci autostop.

00:01:24 --> 00:01:26

De la ultimul video a trecut, cred că o ora.

00:01:26 --> 00:01:28

Timpul s-a schimbat radical.

00:01:28 --> 00:01:33

Și eu am ajuns în Lvov, așa că totu-i înainte.

00:01:33 --> 00:01:41

Valorile generației noastre, a tinerilor din ziua de azi ar fi libertatea, exprimarea liberă.

Eduard cântă:

00:01:41,449 --> 00:01:47

-Dar să nu-mi iei niciodată dragostea...

Interviu Eduard Munteanu:

00:01:47 --> 00:01:53

Pot să spun că inițial mi-a fost greu să mă adaptez acasă și vroiam mereu să plec.

00:01:53 --> 00:01:59

La moment nu văd neapărat că aș vrea să plec azi sau mâine,

	00:01:59 --> 00:02:08 dar într-un viitor chiar mi-aş dori o perioada a vieţii s-o trăiesc în afară ţării. 00:02:08 --> 00:02:10 Dar, desigur, aş vrea să mă pensionezez undeva în Italia.
