<b>SLUGLINE:</b>	Being 20, Caring Moldovan Girl-Scout		
<b>HEADLINE:</b>	Elvira Drangoi is 18 years old. She is a scout for about six years. She is very active and tries to animate life in the village where she lives. Her dream is to open an organization for young people to help them fulfill their dreams.		
<b>DATELINE:</b>	Chisinau, Moldova - 11/10/2018		
<b>SCRIPT:</b>	<p>00:03-00:20 - The scout oath sounds like this: I, Drangoi Elvira, promise that I will do all that depends on me to fulfill my duty to God and people. To respect faithfully the law of the scout, being solitary with all scouts from the world.</p> <p>00:23-01:14 - I became a scout when I was in the fifth grade. Being a scout means to always be helpful to others. Over ten years, I want to have an organization for young people from villages and cities. I want to raise funds and give them the opportunity to open a small-business or projects for their place. The biggest challenge is to motivate others to participate alongside. You need to communicate with the public administration and the cultural institutions. In fact, you do not need much money. It is important to have the desire to do it.</p> <p>01:20-01:39 - The big helps the little. The strong helps the weak. In fact, it doesn't matter if you have or not a scout scarf on your neck, you always have to be a good person.</p>		

<b>SHOTLIST:</b>	<p>Yard, house (dorm room), forest</p> <p>Shots of Elvira before a mirror;</p> <p>Various shots of Elvira helping with the housework; walking into village house of culture, in a forest etc.</p>
<b>SCRIPT:</b> (Original language)	<p>00:03-00:20 - Jurământul scout sună așa: Eu, Drangoi Elvira, promit pe onoarea mea că voi face totul ce depinde de mine, pentru a-mi îndeplini datoria față de Dumnezeu și neamul meu. A respecta cu credință legea scout, fiind solitar cu scouții lumii întregi.</p> <p>00:23-01:14 - Eu am început din clasa a cincea, a fi membru scout. Scout pentru mine înseamnă a fi mereu de ajutor celorlalți. Peste zece ani vreau să am o organizație pentru tinerii din sate și din orașe, care să colectăm fonduri și să le oferim posibilitatea de a-și deschide o mini-afacere sau diverse proiecte pentru localitățile lor. Cea mai mare provocare este de a motiva alți tineri și alte persoane să participe, împreună cu tine. Trebuie să comunici cu administrația publică și cu casa de cultură. De fapt, nu este nevoie de multe resurse. Doar trebuie să fie dorință.</p> <p>01:20-01:39 - Cel mare ajută pe cel mic. Cel puternic ajută pe cel slab. De fapt, așa scouții trebuie să fim toată viața și dacă ne-am consacrat să respectăm asta nu doar când avem eșarfă la gât.</p>
