<b>SLUGLINE:</b>	Being 20, Purposeful Tunisian Plowman		
<b>HEADLINE:</b>	He left school in high school and was not interested in studying. He left it to pursue his passion for motor mechanics. He worked in the field plowing the earth and saved some money and sold his old tractor to buy a new tractor to plow the agricultural lands in return. He faced many difficulties, forced to work in cold spots and In the summer heat, he has no time to rest so he can be in the level of commitment he has taken to achieve his ambitions.
