<b>SLUGLINE:</b>	Being 20, Achieving Goals Notwithstanding Orphan Childhood		
<b>HEADLINE:</b>	Heba is a girl who lived her life in an orphanage and despite the difficulties, she get a different status to become a university girl and social worker in the orphanage where she grew up. She began to deal with girls who faced the same fate and help them to adapt to the situation and improve their image in the society. She was treated badly from her schoolmates whenever she talked about belonging to an orphanage. She believes that a person who has ambition will reach his goal even if being within the walls of the orphanage.

<b>SCRIPT:</b>	00:04 - The sound of birds 00:05-00:19 - A quiet musical voice 00:20-00:37 My name is Heba, I am 23 years old. I started being a host in orphanages since I was 8 years old after the death of mom and dad. It was a strong shock for me. I was in secondary school when my colleague girls avoided me once they knew that I live in an orphanage. 00:40-00:57 I went to several associations, but the most important places which represent a strong		

	<p>turning point for me were “Agouza Girls” and “Banati foundation” where I live now.</p> <p>I always believe that the one, who has ambition, can achieve it even if he was in an orphanage.</p> <p>I am studying “Tourism and Hotels”, it is the fourth and final year, and I got "Excellent" grade in the first year and "very good" in both the second and third years.</p> <p>01:00-01:03 - A quiet musical voice</p> <p>01:03- 01:36</p> <p>My first wish while I was in orphan institutions, was being a supervisor, my future hope is opening a house.</p> <p>I achieved my first priority and became a social worker helping the girls.</p> <p>My second dream which I “Insha'Allah” will do my best to reach is to be responsible for an association.</p> <p>The most important thing which makes me dreaming of being responsible for a whole house is that I am sure that I will provide the orphans much more services than what I get when I was a child. It will be a totally different one to them. One different than what they expect to find in an orphanage or something like that.</p>
