SLUGLINE:	Gender & Identity, Women Breaking Stereotypes In The Workforce		
HEADLINE:	Moldova, a country with patriarchal traditions, advances in assuring equality between genders. Professions used to be separated into "female" and "male", but nowadays, the line is blurred. A great example is Irina Vulpe, the only female bodyguard from the Republic of Moldova, who provided protection to VIPs such as Angela Merkel and Joe Biden during their stay in Moldova.

1.32 Command: Move!

1.48- 2.06 Interview- Irina Vulpe, security guard, State Security and Protection Service of the Republic of Moldova

1.48 – 2.06 A bodyguard’s job is a job where you are put in a position to risk your life for the life of a person who is a stranger to you, but you are obliged to fulfill your duties and to ensure all comfort, including ensuring the security of the life of the person protected.

2.07-2.28 Interview- Sergiu Suruceanu, security guard, State Security and Protection Service of the Republic of Moldova

2.07 -2.18 Irina is a very well-trained specialist and with utmost confidence, I would be ready to go on any mission with her.

2.19 – 2.28 The fact that I work closely with a woman so well prepared and professional makes me more responsible about my job.

2.29 -2.50 Ambiance: Irina loads the gun and shoots.

2.51-3.30 Interview- Irina VUIPE, security guard, State Security and Protection Service of the Republic of Moldova

2.51 – 2.55 My story begins with my registration at the Police Academy in 1998.

2.56 – 2.59 It was probably the first time I did not listen to my parents.

2.59-3.04 I was 18 years old, and a student at the “Gheorghe Asachi” lyceum.

3.08- 3.20 Then, a lady from the Police Academy came to advertise that this year is the first year when girls can register at the academy and maybe someone was interested.

3.21- 3.26 I had a rather bold character. (Laughs) I was encouraged by all the girls: try, try, try...

3.27 -3.30 I tried, and I succeeded.

3.33-3.55 Interview -Irina VUIPE, security guard, State Security and Protection Service of the Republic of Moldova

3.33 – 3.34 Their reaction was positive.

3.35- 3.45 It was more stressful when I came with my parents to the Police Academy and they told us to leave the civilian clothes, put on the uniform, showed us our barracks and here we would spend the next two years.

3.46 -3.55 This was most stressful for my mother. I can remember now how her tears flowed and I told her: “mother, don’t cry, I’m not going to war, mother, I am safe here”.

3.56 – 4.05 Ambiance: Irina and Lorena at the children’s playground.

3.59 - Come on, again!

4.05-4.42 Interview-Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

4.05 -4.09 My mother did not work. She dedicated herself fully to the family.

4.10- 4.19 I do not know when my mother woke up or went to bed, because when we woke up, she was already working around the house, and when we went to bed, she was still working around the house.

4.19 - 4.25 This was her devotion. Maybe that is how the rules were among my parents.

4.25 -4.34 Maybe that was the trend that men worked, and the women stayed at home. Today, for sure, things have changed.

4.34 - 4.40 There are women who have character, there are women with potential and it wouldn’t be normal for them to be inhibited by the society.

4.40—4.42 Everyone has the right to development.

4.42 - 4.44 Ambiance: Irina walks on the street

4.54 -5.16 Interview- Irina VUIPE, security guard, State Security and Protection Service of the Republic of Moldova

4.54 - 4.57 After graduating from the Police Academy, I worked in the Ministry of Internal Affairs for a while.

4.58-5.06 When Mrs. Zinaida Greceanii was appointed Prime-Minister, I received the offer to come and work for the State Guard and Protection Service.

5.07 - 5.09 I was pleasantly surprised by the offer.

5.10-5.16 I did not miss the chance. I accepted the offer and I am in service since 2008.

5.17 – 5.33 Live, Irina participates in trainings at the gym.

5.33-7.04 Interview- Irina VUIPE, security guard, State Security and Protection Service of the Republic of Moldova

5.33 - 5. 42 Of course, we also need to be intelligent and have finesse, but still physical training is a basic compartment, due to the specificity of the activity.

5.42 – 5.56 Live, Irina continues the training.

5.56- 6.00 The job of a bodyguard is not done alone.

6.00- 6.01 It's about team work.

6.01- 6.08 When you are in a team, you are forced and you have all the rights to rely on the partner, colleague with whom you work.

6.08 – 6.21 Live, Irina continues the training at the gym.

6.21- 6.34 I do not accept any provisions, because as I told you, we engage in team work, and if I would say that I'm the weak chain, it wouldn't be right for me to do my job.

6.34 – 6.37 If I give up, I will go and leave the job for someone that does it better.

6.37 – 6.47 Live, Irina continues the training at the gym.

6.47-6.50 I've been working in the State Protection and Guard Service for more than 10 years.

6.50-6.53 Risky activities? – Of course! Any mission of protection is risky, and we cannot divide missions that are less risky from the riskier ones.

6.54- 6.58 and we cannot divide missions that are less risky from the riskier ones.

6.58-7.04 The training is all the same, for any mission, regardless of the rank of the person protected.

07.05 -7.17 Chisinau city center, Arch of Triumph.

7.18 – 7.38 The female employees at the State Security and Protection Service of the Republic of Moldova gather outside the building to talk and take pictures.

7.37-10.13 Interview Irina VUIPE, security guard, State Security and Protection Service of the Republic of Moldova

7.37 -7.42 I think everything depends on what you want to do.

7.42-7.50 And if you think you are capable of doing something, let others believe it's for men, you do it.

7.51- 7.58 I do not think it is a novelty today that a woman can hold a position of power.

7.59 – 8.02 It's the time when stereotypes break.

8.02 -8.12 And these are not the same women as before. I know that, many years ago, probably because of the mentality, women were not accepted in the security sector in general.

8.13-8.24 Today, the UN resolution on gender equality and giving women the right to work in the same fields as men is also accepted.

8.25-8.35 It's just that women have to be aware that they are doing a man's job and they have to do it at the highest level and not look for excuses when something gets hard.

	<p>8.35 – 8.48 AMBIANCE Chisinau city center. Women walking on the street (women in business, loved women, mothers)</p> <p>8.48-8.53 People often wonder how my husband reacts to my job.</p> <p>8.54-9.10 I have said it many times and I will never get tired of saying that if I did not have my husband's trust, the love of my children and their understanding for all the hours I was not at home, being at work, I would not have been who I am today.</p> <p>9.10-9.16 They gave me the power and they gave me the hope that I can make it, I can fulfill my dream.</p> <p>9.17-9.26 And I strive to do my duties as a mother, wife - be caring, and hope that my children appreciate it.</p> <p>9.26 -9.45 Ambiance: Irina walks through the central park in Chisinau. She is feeding the pigeons.</p> <p>9.45-9.52 During my work, I had the opportunity to work with many outstanding women, including heads of state, heads of government.</p> <p>9.53- 9.58 They often encouraged me to do my job with more devotion, with more self-confidence.</p> <p>9.59-10.06 I learned my lesson. Anyone can count and opt for any function, regardless of gender.</p> <p>10.06 -10.13 It is important to believe in your powers, to believe in your dream and then everything is achievable.</p>

00.38 - M-a intrebat.

00.39 - Si ai stiut ce sa raspunzi?

00.40 - Da.

Sincron Lorena Cibotaru, fiica Irinei

00.42-00.45 - Mamica mea este ofiter de protectie.

00.45-00.54 Eu le spun ca colegilor mei ca ofiter inseamna o persoana care protejeaza persoanele de peste hotare.

00.56 – 1.08 Ambianta Irina priveste imaginile video cu vizita vicepreședintelui SUA Joe Biden in Moldova

Sincron Irina Vulpe, ofițer de protecție, Serviciul Protecție și Paza de Stat din Republica Moldova

1.08 -1.18 Am avut ocazia sa asigur protectia si in cadrul delegatiei Excelentei sale Dlui Jhoe Biden, si in cadrul delegatiei excelentei sale Angela Merkel.

1.19 – 1.25 Au mai fost si alte personalitati marcante precum ar fi Chaterine Ashton, princesa Mary a Danemaricii.

1.25 – 1.31 Ambianta Irina priveste imaginile video cu vizita cancelarului Germaniei Angela Merkel in Moldova

1.32 -1.47 Live . Exerciții de protecție a VIP

1.32 Comanda: Deplasare!

Sincron Irina Vulpe, ofițer de protecție, Serviciul Protecție și Paza de Stat din Republica Moldova

1.48 – 2.06 Munca de bodyguard este o munca cand esti pus in situatia sa risti cu viata ta pentru viata unei persoane de fapt straine pentru tine, dar esti obligat sa-ti indeplinesti atributiile si sa-i asiguri tot confortul, inclusiv sa-i asiguri securitatea vietii persoanei protejate.

SINCRON Sergiu Suruceanu, ofiter de protectie, Serviciul Protecție și Paza de Stat din Republica Moldova

2.07 -2.18 Irina este un specialist foarte bine pregatit si as fi gata cu cea mai mare incredere sa merg in orice misiune cu ea.

2.19 – 2.28 Faptul ca activez alaturi de o doamna atat de bine pregatita si profesionista ma face si pe mine sa fiu mult mai responsabil fata de atributiile mele functionale.

2.29 -2.50 Ambianta: Irina incarca pistolul, impusca

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protecție și Paza de Stat din Republica Moldova

2.51 – 2.55 Istoria mea incepe cu inmatricularea mea la Academia de Politie in 1998.

2.56 – 2.59 A fost probabil prima oara cand nu am ascultat de parinti.

2.59-3.00 Eram la varsta de 18 ani impliniti.

3.02-3.04 Si eram eleva la Liceul Gh. Asachi.

3.08- 3.20 Atunci a venit o Doamna de la Academia de Politie sa faca publicitate ca uite anul acesta prima data se inmatriculeaza fete la academia de politie si poate cineva doreste.

3.21- 3.26 Aveam un caracter asa, mai baietos. (Raide) Eram incurajata de toate fetele: hai incearca, incearca, incearca..

3.27 -3.30 Am incercat, am incercat cu succes.

AMBIANTA Foto

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

3.33 – 3.34 Pozitiv au reactionat.

3.35- 3.45 Mai stresant a fost cand am venit cu parintii la Academia de politie si ne-au zis că hainele civile le lasati, imbracati uniforma, aici e cazarma voastra si aici ramaneti pentru 2 ani de zile.

3.46 -3.55 Aceasta a fost cel mai stresant pentru maica-mea, ca o tin minte si acum cum ii curgeau lacrimile si ii spuneam: mama nu plange ca nu ma duc la razboi, mama, ca sunt in siguranta aici.

3.56 - Live Irina si Lorena la terenul de joaca pentru copii.

3.59 - Hai inca o data!

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

4.05 -4.09 Mamica mea ea nu a lucrat. Ea s-a dedicat in intregime familiei.

4.10- 4.19 Eu nu stiu cand se trezea mama si nu stiu cand se culca, fiindca noi cand ne trezeam ea déjà trebuia prin casa si noi cand ne culcam ea la fel trebuia prin casa.

4.19 - 4.25 Asta a fost dedicatia ei. Poate au fost asa regulile lor interne ale parintilor mei.

4.25 -4.34 Sau poate ca asa era trendul atunci ca barbatii lucrau, iar femeile stateau acasa. Astazi cu siguranta ca lucurile s-au schimbat.

4.34- 4.40 Sunt femeile care au caracter, sunt femeile care au potential si nu ar fi normal ca ele sa fie inhibate intr-o societate.

4.40—4.42 Dreptul la dezvoltare il are oricine.

4.42 - 4.44 Ambianta Irina merge pe strada

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

4.54 - 4.57 Dupa absolvirea Academiei de politie am lucrat in Ministerul de interne o perioada.

4.58-5.06 Si atunci cand Dna Zinaida Greceanni a fost numita prim-ministru, am avut oferta sa vin sa lucrez in Serviciu de Paza si Protectie de Stat.

5.07 - 5.09 Si atunci am fost placut surprinsa de aceasta oferta.

5.10-5.16 Nu am ratat sansa. Am acceptat oferta si iata ca sunt in serviciu din 2008.

5.17 – 5.33 Live, Irina participa la antrenamente in Sala de Sport

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

5.33 - 5. 42 Desigur trebuie sa fim si intelegenti si sa avem un bun simt al tactului dezvoltat, dar totusi pregatirea fizica reiesind din specificul activitatii este un compartiment de baza.

5.42 – 5.56 Live, Irina continua antrenamentele in Sala de Sport

5.56- 6.00 Meseria de bodyguard nu se face de unul singur.

6.00- 6.01 Este un lucru in echipa.

6.01- 6.08 Si atunci cand esti in echipa esti obligat si ai tot dreptul sa te bazezi pe partenerul, pe colegul cu care lucrezi.

6.08 – 6.21 Live, Irina continua antrenamentele in Sala de Sport

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

6.21- 6.34 Nu accept careva facilitati fiindca v-am zis, facem un lucru de echipa, si atunci cand eu am sa zic sa sunt inelul cel slab dintr-un lant, nu o sa fie corect sa-mi fac meseria care o fac.

6.34 – 6.37 Daca cedez, plec si sa o faca altul care o face mai bine.

6.37 – 6.47 Live, Irina continua antrenamentele in Sala de Sport

6.47-6.50 Activez in Serviciul Protectie si paza de Stat mai bine de 10 ani.

6.50-6.53 Activitati riscante? – Desigur! Orice misiune de protectie este riscanta. 6.54-6.58 Si nu putem sa divizam ca sunt misiuni de protectie mai putin riscante sau mai mult riscante.

6.58-7.04 Pregatirea e la fel pentru orice misiune de protectie, indiferent de rangul demnitarului protejat.

07.05 -7.17 Centrul orasului Chisinau, Arca de Triumf.

7.18 – 7.38 Angajatele Serviciul Protectie si Paza de Stat din Republica Moldova se aduna in fata institutiei, discuta, fac o poza colectiva

SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova

7.37 -7.42 Eu cred ca totul depinde de ceea ce vrei tu sa faci.

7.42-7.50 Si daca tu consideri ca esti in stare sa faci un lucru, bine altii sa creada ca-i barbatesc, nu ai decat sa o faci.

7.51- 7.58 Nu cred ca in zilele de azi e o noutate ca o femeie este la un post de carmuire, la un post inalt.

7.59 – 8.02 E perioada cand se sparg stereotipurile.

8.02 -8.12 Si nu mai sunt femeile celea care au fost candva. Cunosc ca, cu multi ani in urma, probabil din cauza mentalitatii, femeile nu prea erau acceptate in sectorul securitatii in general.

	<p>8.13-8.24 Astazi este acceptata si rezolutia ONU in acest sens despre respectarea egalitatii de gen si acordarea femeilor a dreptului de a lucra in acelaasi domeniu ca si barbatii.</p> <p>8.25-8.35 Doar ca si femeile trebuie sa fie constiente ca fac un lucru barbatesc si trebuie sa-l faca la cel mai inalt nivel si sa nu-si caute scuze atunci cand nu se primeste ceva.</p> <p>8.35 – 8.48 Orasul Chisinau, centru. Femei care merg pe strada (femei de afaceri, femeia iubita, femeia-mama)</p> <p>AMBIANTA</p> <p>SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova</p> <p>8.48-8.53 De multe ori sunt intrebata cum reactioneaza sotul la meseria mea.</p> <p>8.54-9.10 Am spus-o de multe ori si nu am sa obosec niciodata sa spun ca daca nu as fi avut increderea sotului, iubirea copiilor si intelegerea copiilor pentru orele lipsite de acasa, fiind la serviciu nu as fi fost ceea ce sunt acum.</p> <p>9.10-9.16 Ei mi-au dat puterea si ei mi-au dat speranta ca pot sa ma realizez, pot sa-mi indeplinesc visul.</p> <p>9.17-9.26 Si ma stradui si eu sa fac indatoririle mele de mama, de sotie, sa fiu grijulie, si sper copiii sa aprecieze aceasta.</p> <p>9.26 -9.45 Ambianta Irina se deplaseaza prin Parcul Central din Chisinau. Hraneste hulubii.</p> <p>SINCRON Irina VUIPE, ofiter de protectie, Serviciul Protectie si Paza de Stat din Republica Moldova</p> <p>9.45-9.52 Pe parcursul activitatii mele am avut ocazia sa lucrez cu mai multe femei remarcabile, printre ele fiind si sefi de state, sefi de guverne.</p> <p>9.53- 9.58 Ele m-au incurajat pe mine adesea sa-mi fac meseria cu mai mult devotament, cu mai multa incredere in sine.</p> <p>9.59-10.06 Eu pentru mine lectia am invatat-o. Oricine poate conta si poate opta pentru orice functie, indiferent de gen.</p> <p>10.06 -10.13 Important este sa crezi in puterile tale, sa crezi in visul tau si atunci totul este realizabil.</p>
