SLUGLINE:	Fatma Hamdi ...A Dose of hope for cancer patients		
HEADLINE:	Fatma Hamdi is an active Algerian youth who throws herself into charity work since a teenager by helping cancer patients following them up during their chemotherapy sessions to keep their spirit-levels high. Fatma was chosen by the United Nations in the Middle East, as Ambassador of Hope in Algeria and has suggested the construction of a cancer-centre. This idea was backed up through a Facebook page where Fatma tries to provide medications for cancer patients' especially expensive ones.		
DATELINE:	Algiers, Algeria - 30/04/2020		
SCRIPT:	00:00:06.516 → 00:00:15.779 Fatima Hamdi A volunteer in the humanitarian field. The most important thing I focus on in my volunteer work is the psychological follow-up of cancer patients. 00:00:15.800 → 00:00:22.320 For example, there is this child Islam, who is one of my children friends suffering from cancer. 00:00:22.520 → 00:00:35.920		

	<p>Are you okay? ... yes Are you still strong? ... yes Do not worry ! this is just a short period and will pass . God willing, this period which is witnessing the spread of the Corona virus, will pass soon. God willing, you will resume your treatment soon.</p> <p>00:00:37.880 → 00:00:43.200 Fatima Hamdi: Who do you love ...? Islam: Alilou Sahnoun. Sehnoooooon ... right?</p> <p>00:00:45.080 → 00:00:52.760 Fatima Hamdi: Islam ... Islam, look over there. Who is that? Ali Sahnoun: Peace be upon you. Are you okay?</p> <p>00:00:53.680 → 00:00:59.920 The most important effect of volunteering is volunteering-infection.</p> <p>00:01:00.120 → 00:01:11.760 After being chosen by the United Nations Development Program among Young Arab leaders in 2015, I have suggested the idea of setting up a center for the treatment of cancer patients in Algeria.</p> <p>00:01:13.960 → 00:01:26.800 The idea of establishing a cancer center was backed up by a Facebook page, Through which I have tried to collect medications for cancer patients, especially expensive ones.</p> <p>00:01:27.600 → 00:01:34.840 Volunteering requires united efforts. In the Algerian dialect, we say ... one hand cannot clap !</p>

<p>SCRIPT: (Original language)</p>	<p>00:00:15.779 ← 00:00:06.516 فاطمة حمدي، متطوعة في المجال الإنساني. أكثر شيء أركز عليه في عملي التطوعي هو المرافقة النفسية للمرضى بالمصابين بالسرطان.</p>

00:00:22.320 ← 00:00:15.800

على سبيل المثال، هناك الطفل إسلام ، الذي هو واحد من أصدقائي الأطفال المصابين بالسرطان.

00:00:35.920 ← 00:00:22.520

هل أنت بخير... نعم

مازلك قوي.. نعم

لا تقلق هذه فترة قصيرة وتمر

إن شاء الله ستمر هذه الفترة، التي تشهد انتشار فيروس كورونا

وبحول الله ستستأنف العلاج قريبا

00:00:43.200 ← 00:00:37.880

فاطمة حمدي : من تحب...؟

الطفل اسلام : عليلو سحنون.

سحنووووون... صح

00:00:52.760 ← 00:00:45.080

فاطمة حمدي : إسلام... إسلام ، انظر هناك، من هذا؟

علي سحنون: السلام عليكم، هل أنت بخير.

00:00:59.920 ← 00:00:53.680

أهم تأثير للعمل التطوعي، هو عدوى التطوع

00:01:11.760 ← 00:01:00.120

بعدما تم اختياري في برنامج الأمم المتحدة الإنمائي سنة 2015 ضمن القيادات العربية الشابة

طرحت فكرة انشاء مركز لعلاج مرضى السرطان في الجزائر.

00:01:26.800 ← 00:01:13.960

تعززت فكرة انشاء مركز لعلاج السرطان بصفحة عبر الفايسبوك ..

التي حاولت من خلالها تحصيل الأدوية للمرضى، خاصة باهضة الثمن .

00:01:34.840 ← 00:01:27.600

العمل التطوعي يحتاج الى سواعد متحدة

بالعامية الجزائرية، نقول...يد واحدة لا تصفق
