SLUGLINE:	A young woman takes initiatives to support youth activities in her area, and train youth to keep their lands handcrafts alive		
HEADLINE:	A young woman takes individual initiatives aimed at supporting the youth of her region to remain in their villages and not to migrate or emigrate. She also motivates them to achieve the best of their talents and capabilities, and to preserve the identity and heritage of the town through handcrafts.		
DATELINE:	Lebanon, Beirut - 08/10/2020		
SCRIPT:	<p>00:01 - 00:12 I've always felt I should make a difference in Social life, especially with the youth in our region.</p> <p>00:13 - 00:17 So I used social media because it reaches the largest possible segment of the youth</p> <p>00:18 - 00:24 And it can present the idea that I liked to convey, from here I started my first steps to create a page</p> <p>00:25 - 00:33 To the people of the region, and I started with them at the cultural and sports level and even with handicrafts</p> <p>00:34 - 00:38 I was trying to help them hold onto it</p> <p>00:39 - 00:47 Because it's our roots and history and so that they do not abandon them and become extinct,</p>		

.I tried to encourage handicrafts.

00:48 - 00:52

Hence, my first steps were to contribute

00:53 - 00:55

. Even in a small part to support the youth of the region.

00:56 - 1:02

The foundations for success are to be raised on good and successful manners

1:03 - 1:10

During a period of time, I was supervised by KawtharChoucair, who taught me an educated me and established in me the spirit of courage.

1:11 - 1:14

She take a lot of credits for my career. I thank her a lot. Thank you Kawthar.

1:15 - 1:21

I have joy in dealing with the other, joy in communicating with the other and joy in giving.

1:22 - 1:25

So I liked to transfer this happiness within me to the hearts of every one of them.

1:26 - 1: 39

I help a person, and he in his turn initiates to help others, so we can reach to the point where the community becomes interdependent and loves to give and help.

1:40 - 1:52

These young men and women came, through an individual initiative, to help clean the riverbed,

1:53- 2:01

If a small initiative via Facebook was able to collect such a number, then what if many influencers of the region were concerned in doing such an experience.

00:01 - 00:12

لطالما كنت اشعر بانه من المفترض ان اشكل فرقا في الحياة الاجتماعية وخصوصا مع الشباب في منطقتنا

00:13 - 00:17

فلجأت لمواقع التواصل الاجتماعي لانها تصل الى اكبر شريحة ممكنة من الشباب

00:18 - 00:24

وتستطيع اىصال الفكرة التي احببت ان اوصلها ، من هنا بدأت خطواتي الاولى لانشاء صفحة

00:25 - 00:33

لاهالي المنطقة وبدأت معهم على المستوى الثقافي , على مستوى الرياضة وحتى الحرف اليدوية

00:34 - 00:38

كنت احاول ان اساعدهم للتمسك بها

00:39 - 00:47

لانها جذورنا وتاريخنا وحتى لا يتخلون عنها وتنقرض ، حاولت ان اشجع على اعمال الحرف اليدوية

00:48 - 00:52

ومن هنا كانت اولى خطواتي للمساهمة •

00:53 - 00:55

ولو بجزء بسيط لدعم شباب المنطقة

00:56 - 1:02

اسس النجاح ان تتربى تربية صالحة وناجحة

1:03 - 1:10

بفترة من الفترات اشرف على تربيتي كوثر شقير علمتني درستني والتي اسست بي روح الشجاعة .

1:11 - 1:14

ولها الفضل الكبير عليّ بمسيرتي المهنية اشكرها كثير ، شكرا كوثر .

1:15 - 1:21

انا عندي سعادة بالتعاطي مع الاخر سعادة بالتواصل مع الاخر وسعادة في العطاء .

1:22 - 1:25

لذا احببت ان انقل هذه السعادة الموجودة في داخلي الى قلب كل واحد منهم .

1:26 - 1: 39

فانا اساعد شخصاً، وهو بدوره يبادر الى مساعدة آخر ، ويمكن ان نوصلهم لدرجة ان يصبح المجتمع متكافلاً ومحياً للعطاء والمساعدة .

1:40 - 1:52

هؤلاء الشباب والصبايا من خلال مبادرة فردية اتوا للمساهمة في تنظيف مجرى النهر ،

1:53- 2:01

اذا كانت مبادرة صغيرة عبر الفايسبوك واستطاعت ان تجمع هكذا عدد فماذا لو اهتم العديد من فاعليات المنطقة وعملوا مثل هذه التجربة.
